For dinner, also beside the canyon, choose between fine dining at El Tovar restaurant and more casual fare at the Arizona Room or the Bright Angel Café. Be sure to experience the sunset, if possible, and set your alarm to see tomorrow's sunrise. **Meals BD**

3. Grand Canyon & A Lake Powell Cruise

The Colorado River has chiseled its way down through the sandstone strata of the Grand Canyon on a journey that has lasted millions of years – carving it into a unique chasm more than one mile deep and 277 miles long. You may wish to start your own journey just a few steps from your lodge with a Grand Canyon sunrise, a truly magical spectacle. A local geologist shares expert insights on the canyon's history and ecology, and then you're off to cross the Navajo Reservation and the Painted Desert to Glen Canyon National Recreation Area for a two-night stay on the shore of Lake Powell. This evening experience another highlight of your trip – a private dinner cruise on Lake Powell aboard a yacht reserved exclusively for Tauck guests. **Meals BD**

4. Flightseeing & More at Lake Powell

It took the Glen Canyon Dam 17 years to fill up Glen Canyon, transforming part of the mighty Colorado River into 186-mile-long Lake Powell. Fringed by fjord-like canyons of multi-colored sandstone, the lake is one of the largest man-made bodies of water ever created; there's no other like it anywhere. This morning, discover panoramic views of this man-made lake by air on an included 30-minute flightseeing excursion* aboard a small plane taking in the incredible aerial sights of the red rock formations and sculptures found here. See more of nature's architecture up close on an optional small plane flight to Monument Valley*, followed by a two-hour driving tour through the Navajo Tribal Park, available at an additional cost (turn the page to read more about our Monument Valley Option). This afternoon, join us for a private 4x4 off-road adventure to one of the longest slot canyons in the Navajo Nation where your guided nature walk to its entrance will long be remembered. Enjoy dinner this evening at leisure at your Lake Powell resort. **Meals BD**

Stay the night inside the National Parks

Experience the parks' spectacular sunsets, starry skies, and sunrises – with no daytime crowds! Tauck secures rooms in national park lodges that often sell out well in advance, making it harder to book these popular lodges on your own.

Zion Lodge

Zion National Park, Utah

A member of Historic Hotels of America and the only place to stay inside the park, Zion Lodge is set amidst a hiker's paradise surrounded by red rock formations. Guests stay in historic western cabins or motel-style rooms.

The Lodge at Bryce Canyon

Bryce Canyon National Park, Utah

Listed on the National Register of Historic Places, The Lodge at Bryce Canyon offers accommodations in lodge suites, motel rooms and cabins and is the only lodging in the park.

Kachina Lodge

Grand Canyon National Park, Arizona

Steps from the South Rim of the Grand Canyon, Kachina Lodge is also within walking distance of restaurants and Verkamp's Visitor Center, along with hiking paths that follow the Rim Trail – the views are head-turning wherever you look.

Explore the Grand Canyon with an expert geologist as you view naturally sculpted landscapes carved over some 6 million years.

Dinner is at your leisure. **Meals BLD**
